

MaxxBreak OB-25 NS
Hi-Shear Antifoam

MaxxBreak OB-25 NS is a fortified, multi-hydrophobe, non-ionic foam control agent for a wide range of industrial coating applications. It is designed specifically to combat process foam for formulators in high-shear aqueous industrial coating concentrates. **MaxxBreak OB-25 NS** provides long lasting and efficient anti-foaming during subsequent dilution and end-user processing. It also works effectively in paints, adhesives and coatings based on styrene-butadiene, acrylic and polyvinyl acetate latex systems. Completely compatible, **MaxxBreak OB-25 NS** will not cause fisheyes or cratering when properly formulated and dispersed. It is extremely effective when used in the grind portion of a paint and coating formulation, high pH systems (both hot and cold) and stable and effective up to a pH of 11.

TYPICAL PROPERTIES

Appearance	Cream to Straw liquid
Ionic Nature	Nonionic
Viscosity, <i>cps</i>	~1200
pH	N/A
Active Solids, %	100
Weight per Gallon, <i>lbs.</i>	7.5
Solubility	Dispersible in surfactant systems
Stability	Extended storage may require minimal agitation

PERFORMANCE FEATURES

High Shear Stability & Effectiveness, Versatile, Does not cause “fish eyes” or Cratering, Silicone Free, Latex Compatible

SUGGESTED USES

Paints, Adhesives, Coatings, SB, Acrylic and PVAc Systems

Application methods are discussed on the following page.

METHOD OF APPLICATION

MaxxBreak OB-25 NS can be added as received or diluted with one of the formula ingredients. Paints and coating applications are effectively treated by the use of one to three pounds per 100 gallons of formula.

Let MCTRON Technologies raise your expectations.

McTron Technologies, LLC Technical Support Team is available to provide assistance with the formulation of all our products to optimally suit your specific needs.

McTron Technologies LLC Guarantee

If any product is defective in workmanship or materials, McTron Technologies, LLC will replace the product, or refund the full purchase price. This warranty is in place of all other warrants, expressed or implied, and all implied warrants of a product for an intended use shall be solely up to the user. McTron Technologies, LLC assumes no liability for consequential damages. Its liability shall in no event exceed the purchase price of materials supplied by it.
