

## MaxxBreak OB-25 NS Oil-Based Defoamer

### PRODUCT DESCRIPTION

**MaxxBreak OB-25 NS** is a fortified, multi-hydrophobe, non-ionic foam control agent for a wide range of industrial coatings applications. Designed specifically to combat process foam for formulators in high shear aqueous industrial coating concentrates.

### TYPICAL PROPERTIES

Appearance	Cream to Straw Liquid
Pounds/Gallon	7.5
Ionic Nature	Nonionic
Solubility	Slightly dispersible in water Dispersible in surfactant systems
Actives	100%
Viscosity, cps@25C	~1200
Percent Active	100
pH, 2% solutions	N/A
Flash Point	>320F

### HANDLING & STORAGE

The manufacture of this product is within the scope of the ISO 9001 Quality Management System. **MaxxBreak® OB-25 NS** is stable but may require agitation with extended storage periods. Please see the Material Safety Data Sheet before handling this product.

### Benefits & Features

- ▶ **Long lasting**
- ▶ **Efficient antifoaming**
- ▶ **Designed for high shear industrial coating applications**
- ▶ **Stable to pH 11**
- ▶ ***Stir before use***

### APPLICATION & DOSAGES

A 0.25% dosage of **MaxxBreak OB-25 NS** in latex is the recommended starting point for most coating applications. It is effective in paints, adhesives and coatings based on SB, acrylic and PVAc latex systems. For best leveling of "fish eye free" coatings, the defoamer system should be evaluated not less than 24 hours after the defoamer has been added. **MaxxBreak OB-25 NS** is extremely effective in the grind portion of paint and coatings formulas. Performs well in high pH systems, both hot and cold, and stable and effective up to a pH of 11.

### Let MCTRON Raise Your Expectations...

MCTRON's Technical Support Team is available to assist with the formulation of all our products to optimally suit your specific production needs and manufacturing environment.

### MCTRON Technologies Guarantee

If any product is defective in workmanship or materials, MCTRON Technologies, LLC will replace the product, or refund the full purchase price. This warranty is in place of all other warrants, expressed or implied, and all implied warrants of a product for an intended use shall be solely up to the user. MCTRON Technologies, LLC assumes no liability for consequential damages. Its liability shall in no event exceed the purchase price of materials supplied by it.
